Lance and Jeff,

With thanks to Rob Wise, here is the SAP-QAPP currently in use for Gold King surface water samples.

Cheers,

ned

Subject: B of Rec, request for sampling protocols and QAAP

Ned: I have received a request from Jeff Smith of the Bureau of Reclamation. They are planning to take surface water samples and want to mirror our DQO and QAP. Any chance you have a copy of these documents for surface water that I could share?

Regards

Lance
